"I loved every mile of Round Trip."

- Ken Dryden, *Chattanooga Times Free Press*

"Marilyn Harris, one of the last of the true practitioners of hipness, has blessed us with another quality CD. Backed by the wonderful L.A. Jazz All-Stars Big Band this CD always rocks, swings and knocks it out of the park . . . This CD belongs in the library of anyone who loves great writing and singing talent."

- Peter La Barbera, *Jazz Zine*

"No question about it, Round Trip is an entertaining and compelling recording that showcases a superb performance by one of the best jazz vocalists in the business today...A disc that will appeal to anyone who likes music."

- Edward Blanco, *eJazzNews.com*

"Marilyn Harris knows how to write songs - clever songs, knowing songs, novel songs, heartfelt songs (ten of which appear here) - but some of you already know this from her previous discs. What you may NOT know is that Mark Wolfram, her onstage-offstage partner, writes big, colorful arrangements: he mines the jazz orchestra for the range of colors and textures that Harris' songs inhabit so well. Blend in the all-star big band you hear here, alloyed by the hand-picked guest soloists, and how can you lose?"

- Neil Tesser, Co-host "Listen Here!"

Hot on the heels of her 2004 offering **FUTURE STREET**, Wrightwood Records presents Marilyn Harris' **ROUND TRIP** - a new CD of original jazz songs, kickass big band charts, killer solos and swingin' vocals. Inspired by the music of Count Basie, Maynard Ferguson, Neal Hefti, Buddy Rich, Billy May, Nelson Riddle, Hank Mancini, Johnny Mandel, the Tonight Show Band, Don Ellis and Don Sebesky, this CD features the **L. A. Jazz All-Stars Big Band**. Also featured is jazz legend **BOB DOROUGH** in a **COOL** vocal duet with Marilyn.
